- House provides all red items and all red/green cabling to board. Musicians provide instruments, vocal mics, and blue stage gear. Drummer can use backline drum set if available.
- Bass and Guitar can also use house cabinet mics.
- House provides 3 separate stage L/C/R 120V/20A multtap outlets.
- (Ideal) House provides 5 individual monitor mixes to stage (5 red feeds) with all instruments/vocals/drums.
- (Option) House provides fewer monitor mixes as supported by house equipment.
- House provides monitor wedges. (Keys prefer monitor mix to in-ear but can use house wedge.)
